Modified on: Fri, 8 Sep, 2023 at 4:19 PM

If you have any grievances related to a title currently available on BookMyShow Stream or its age ratings, title descriptions or synopsis, content advisories or tags, and parental control features, you can proceed with filling the **Grievance** (<https://in.bookmyshow.com/help-centre/grievance-form>) form.

I am unable to view the movie under Stream Library, Please help!

Modified on: Fri, 21 Oct, 2022 at 3:54 PM

Allow us to help you.

You may login using your email id or contact number entered at the time of purchase and the movie shall reflect under the "Stream Library".

In case you own an apple device and have used apple id to login, kindly login using the same apple id, it should help.

I bought/rented a movie but didn't get the discount. Can I get it now?

Modified on: Sat, 8 May, 2021 at 4:03 PM

The offer has to be applied by clicking on 'Unlock offers or Apply Promo codes' post your desired selections.

The system shows conformation as **"Congratulations! You would have successfully availed your offer"**

You shall see the discounted amount break up in the payment summary. Only after checking this should you proceed to make the balance payment.

In case you missed to do so, you will not be able to avail of the discount.

What video resolution options are available for a movie?

Modified on: Mon, 29 Mar, 2021 at 4:44 PM

BookMyShow Stream offers movies in various resolutions: SD (Standard Definition), HD (High Definition), and 4K (Ultra High Definition) which can be played on your phone, laptop, computer, and TV.

Most movies will be available in all streaming resolutions, however, some movies may not have certain resolutions due to licensing limitations.

You can choose the resolution of your choice while renting/buying the movie. All the lower resolution options will be available if you buy/rent a movie in a higher resolution. More details about video resolution and compatible devices can be found [here](https://in.bookmyshow.com/pwa/tvod/static/stream-compatible-devices).

How does a bundle work? Can I rent or buy a bundle?

Modified on: Thu, 4 Feb, 2021 at 7:29 PM

A bundle is nothing but a collection of multiple movies. You can buy or rent a bundle just like you buy or rent a movie.

For a rented bundle, all the movies in the bundle will be available for streaming for a specific rental duration (usually 30 days after purchase but can vary from case to case basis).

Please note that once you start the playback for a movie in the rented bundle, it will expire after a specific duration (usually 48 hrs after playback but can vary from case to case basis). You can find the details about the rental duration of a movie on the respective movie and bundle details page.

What is the difference between buying and renting a movie?

Modified on: Thu, 4 Feb, 2021 at 7:28 PM

A rented movie has a fixed expiry date while a bought movie does not.

You can watch a rented movie anytime for a specific rental duration (usually 30 days after purchase but can vary from case to case basis).

Please note that once you start the playback, the rented movie will expire after a specific duration (usually 48 hrs after playback but can vary from case to case basis). You can find the details about the rental duration of a movie on the respective movie details page.

How does movie renting work?

Modified on: Fri, 14 May, 2021 at 5:43 PM

You can watch a rented movie anytime for a specific rental duration (usually 30 days after purchase but can vary from case to case basis).

Please note that once you start the playback, the rented movie will expire after a specific duration (usually 48 hrs after playback but can vary from case to case basis).

You can find the details about rental duration of a movie on its respective movie details page.

Note: You can watch the movie multiple times after you start the playback within 48 hours.

How does BookMyShow Stream work? Do I have to pay for the movies I want to watch?

Modified on: Thu, 4 Feb, 2021 at 7:25 PM

The best part about BookMyShow Stream is you only pay for what you watch. You can buy or rent a movie of your choice in the resolution of your choice and watch it online on any platform or a device. You can also buy or rent a bundle of movies. All the bought/rented movies are available for streaming across multiple platforms, including your phone, laptop, desktop or TV.
