

Cancellation/Modification of an event/play/sport/online streaming

Modified on: Mon, 9 Jan, 2023 at 3:04 PM

We understand how a last-minute change in plan can throw your schedule haywire.

I'm afraid that the provision to cancel or modify a confirmed booking for event/play/sport/online streaming is unavailable.

Might we suggest that you try using these tickets by authorizing your family or friends to watch the show on your behalf?
