Oh, that's easy as pie!

Just go to our website or application and click on the Sign-in option. You can either sign up with a Google+, Apple or the best option is the mobile number/email address of your choice.

Post entering the mobile number/email address, just verify the OTP and it is all done.

The screenshot shows the 'Get Started' registration screen of the BookMyShow application. At the top, there is a title bar with 'Get Started' and a close button (X). Below the title bar, there are three large buttons for social login: 'Continue with Google' (with the Google logo), 'Continue with Email' (with an email icon), and 'Continue with Apple' (with the Apple logo). Below these buttons is the text 'OR'. Underneath 'OR', there is a section for mobile number registration, starting with the Indian flag and '+91', followed by a text input field and the text 'Continue with mobile number'. At the bottom of the screen, there is a checkbox and the text 'I agree to the [Terms & Conditions](#) & [Privacy Policy](#)'.
