

What's the 'Add to Apple Wallet' feature for iOS devices?

Modified on: Wed, 16 Nov, 2022 at 7:45 PM

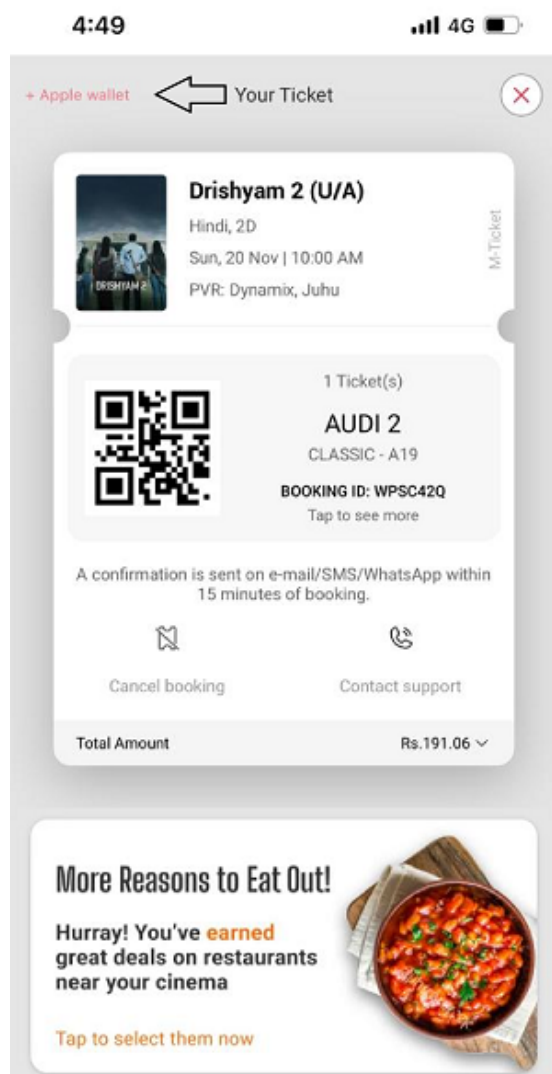

The option to 'Add to Apple Wallet' been added to the BookMyShow iOS app for the convenience of our users.

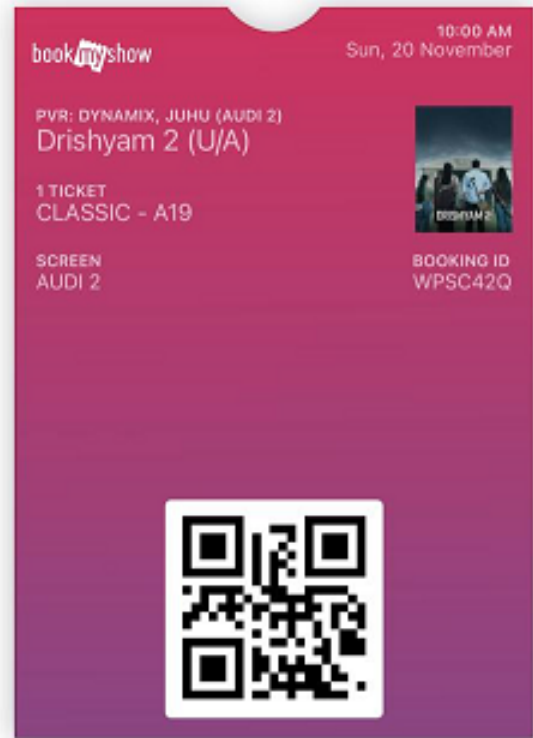

This feature enables users to utilize the pass generated, as a confirmation, containing the Booking ID and show details. This can be presented at the cinema to obtain entry by scanning the QR code or displaying the booking ID visible on the lock screen itself.

As soon the transaction is completed, you need to select the '+ Apple Wallet' icon under 'Your Orders' section.

This feature can only be used while transacting through the iOS app.

A pass can be added only through the iOS app and not the website.
