Winpin

Modified on: Thu, 10 Nov, 2022 at 5:06 PM

What is Winpin?

- It is an alphanumeric code varying between 10 to 16 digit and is used to book tickets at a discounted rate.

Can I carry forward the remaining balance on my Winpin voucher?

- Winpin is a one-time use voucher that cannot be carried forward. The entire value of the voucher needs to be redeemed in one go.

How do I check the validity of the Winpin?

- Ideally, the validity of the Winpin voucher would be mentioned in the communication(Email/SMS) containing it. If the same is not mentioned, you may check it with the Winpin issuing source.

Can I use multiple Winpins in a Transaction?

- Unfortunately, only one Winpin can be used in a single transaction.
