What is an M-Ticket?

Once your booking is confirmed, you'll receive a link along with the confirmation SMS/WhatsApp.

Click on it, download the M-Ticket on your mobile or present the 'Your Order's section, no printout needed.

Scan the QR code at the cinema entrance and enjoy the show!

Note: If you're booking as a Guest, you'll receive the option to select M ticket. And if you're a registered user then we recommended to save the changes as M'ticket under 'Accounts & Settings'
