

Your Orders

Modified on: Sat, 29 Oct, 2022 at 7:49 PM

How do I save my booking history?

This is absolutely effortless. Post a successful transaction, the booking details will automatically reflect under the '**Your Orders**' section on the app/website, once you log in via the same contact details which were used for the booking.

The app and website stores transaction history of the last 6 months up to 20 transactions only.

The provision to retrieve the past transaction history is unavailable.

NOTE: The provision to delete 'Your Orders' manually is unavailable.

Internet Handling Fee

Modified on: Sat, 29 Oct, 2022 at 7:52 PM

We wish to inform you that the convenience fee is levied on transactions with BookMyShow for online booking facilities provided by us through which customers get a wide range of choices to book their tickets for various movies, events, etc. with convenient modes of payment.

It enables customers to book tickets in advance for the shows desired to be attended by them across theatres and timings of their choice and thus avoid the hassle of traveling to the cinema/venue in advance and wait in long queues to book desired seats for shows of their choice.

BookMyShow respects & abides by guidelines laid down by the highest regulatory authorities of the country. Practices followed by BookMyShow are consistent with its own as well as those by other digital commerce channels over the years.
