

Is there a cut off time for booking the tickets?

Modified on: Sun, 30 Oct, 2022 at 8:08 PM

Online booking is ideally available 1 hour to 15 minutes prior to the showtime and it varies from cinema to cinema.

Certain cinema do allow last minutes booking too :)

P.S: Cinema can stop the online booking before the cut off time since they reserve the seats for offline bookings.

The app/website is giving me a Connectivity/Something is not right here error.

Modified on: Thu, 19 Nov, 2020 at 3:22 PM

It's pretty simple!

You can check the language of a particular movie in two different way:

> Post selecting a specific cinema, you will get the see the language under the name of a particular movie.

> While directly searching for a movie it displays as a header as well as we have a language filter.

Age Limit

Modified on: Sun, 30 Oct, 2022 at 8:24 PM

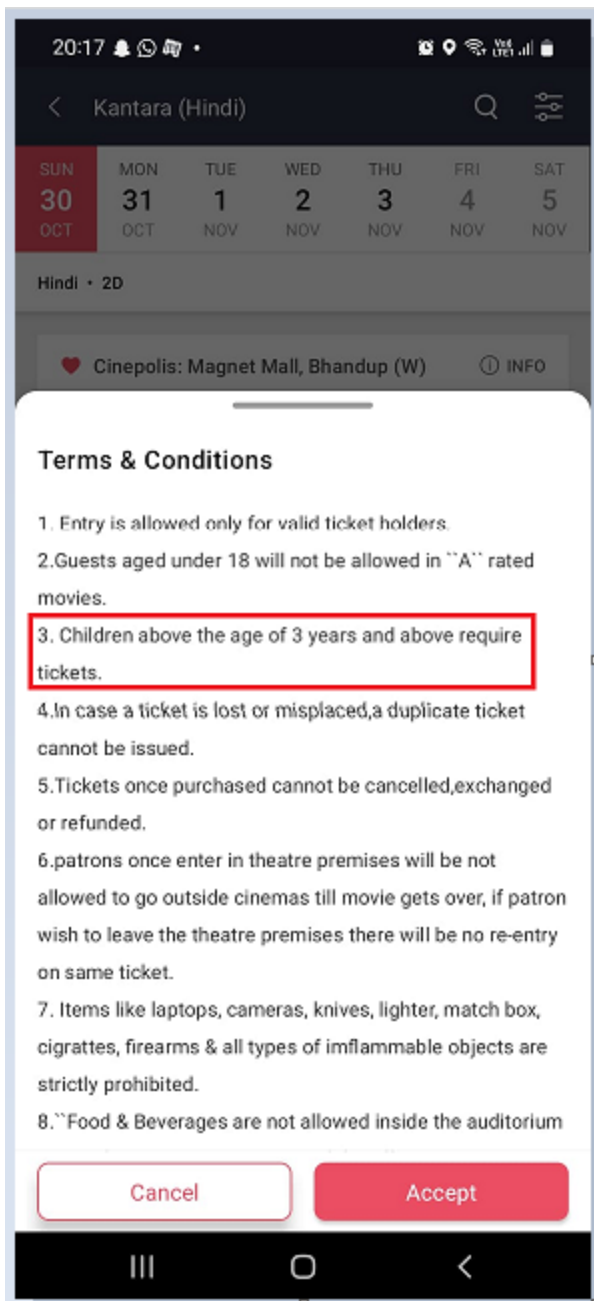

What is the age limit for children to buy a ticket?

Ideally, children aged 3 years & above need a separate ticket to attend a movie. You may refer to the cinema 'terms and conditions' for more details.

Just to keep you informed, for an "A" adult movie this will not be levied.

For Event/Play/Sport: The age limit differs from event to event for which you need to refer the specific event page itself.

Subtitles

Last Modified: Sat, 29 Oct 2022 at 10:23 PM

Will the movie screen with subtitles in my preferred cinema/show?

Your wish is our command! Currently, we have limited cinemas that are able to share information about subtitle availability.

If the information is unavailable as displayed on the website or app, that means the cinema has not provided the relevant information. In such a scenario, the relevant cinema would be the best place to inquire about the availability of subtitles.

You can refer to the screenshots on the BookMyShow website and app to know how the availability of subtitles looks like.

Seat Layout not available for a Play/Event

Last Modified: Sun, 10 Jan 2021 at 4:36 PM

I want to select my seats but I'm directly being sent to the payment page.

If you were redirected to the payment page without being able to select the seats or without being shown the seat layout, chances are that the event you're looking for is a standing event or is a free-seated event that functions on a first-come-first-serve basis. This varies from event to event.

I've booked my seats, but why does the confirmation not have a seat number?

If you've already transacted and don't remember selecting seats, you can refer to your confirmation. If it still lacks specific seat numbers, it's a free-seated or standing event.

Verified by Visa

Last Modified: Wed, 24 Mar 2021 at 3:51 PM

Verified by Visa is an additional password-protected online security service from Visa that ensures only you can use your Visa card for online transactions.

During a transaction, a pop-up window prompts you to enter your Verified by Visa password. Once authenticated, your transaction proceeds securely.

Can I book the tickets online and pay cash at the theater?

Last Modified: Thu, 25 Jun 2020 at 11:04 AM

BookMyShow believes in delivering the best experience to all its customers.

However, to watch your desired movie, you'll have to pay online to confirm your tickets.

This is because venues no longer support the option wherein you can 'book now and pay cash/card at the counter later.'

Transaction didn't go thru and seats appeared to be blocked

Last Modified: Mon, 29 Nov 2021 at 11:08 AM

My previous transaction was cancelled/incomplete. Why do the selected seats appear to be booked?

In case you've selected the seats & have proceeded to the next page, the seats are blocked to prevent another user from opting for the same seats.

If the booking is left incomplete/cancelled or is unsuccessful, the seats are blocked for 7 to 8 minutes which gets unblocked post the mentioned time.

7 to 8 minutes have passed but still no luck. What now?

Ideally, seats are auto released in 7 to 8 minutes. Chances are, someone else might have grabbed them. We urge you to go for the next best available seats or simply book for another show of your choice.
